Activities

Scripture Reference

"Be hospitable to one another without grumbling. As each one has received a gift, minister it to one another, as good stewards of the manifold grace of God."

1 Peter 4:9-10

- The Parking Lot team members provide the necessary duties within the Parking Lot in a manner that will cause visitors and members to feel welcome and loved.
- As a parking lot attendant, it is vital that you make the first impression upon visitors when they arrive. By being warm and friendly to everyone who come to the house of God, you set an atmosphere through which God can move. Your major focus will be upon visitors' reception and will also assist as needed in various ways to those in need from the parking lot to the front door (Sanctuary).
- Parking lot greeters manage the flow of traffic in our parking lot and provide added security that will make our congregation and guests happy and safe.
- No job is unimportant at the church or unappreciated. Your work in the hot sun, cold of winter, rain and other is greatly appreciated by all.

Purpose for Ministry

The parking lot ministry exists to make GMSBC a safer, more convenient place for people to fellowship and visit.

Hospitality begins in the parking lot and the first impression for our members and guests should be one that overflows with the love of our Lord and Savior Jesus Christ.
